3. Group Transportation

- We no longer have use of the First Baptist Church bus due to insurance issues.
- We can rent a bus for future events.
- Summer Orientation Tour - It was more difficult to transport a large group of students for the orientation. The trolley was down this year. The Central Baptist bus was available this year (13 capacity) worked for the new students. We have use of the 10-12 passenger van from the city.
- City of Hope also has a 25-passenger bus that could be made available if we provide a driver.
- State Capitol Trip – possibility to charter a bus but may be more costly

4. NYC Trip to National League of Cities in Atlanta (November 16-18)

- How Many NYC Members???
- Transportation There & Back
- Open To Suggestions at next meeting

5. Other NYC Trips

- GMA Youth Symposium – LaGrange (10/13 to 10/15)
 - ~\$50/student
 - We can possibly go down and back each day vs. staying in a hotel to save money.
 - The NYC officers can discuss and provide input.
- MEAG Trip - discuss at next meeting

6. NYC & YAC Schedule *(see pdf for more details)*

- Next YAC Meeting – 8/15/23
- Meeting Dates – October, November, January, February, March, and April are open to plan.
- Meeting Locations – try to go places we have not visited in the last 3 years because some of the current students have already gone in their tenure
- Guest Speakers – list provided of speakers who have been used previously. The same theory of >3 years would apply.
- Spirits & Spice (October 21 from 1:30-7PM) – may be an opportunity to sell water and use funds to donate to a non-profit (previously Boys & Girls Club scholarships)

Meeting Adjourned at 6:34PM.
