Old Business:

* Paper Shredding price increase to \$300 per hour. PB stated that Royal Shredding has not increased our cost in the 5+ years we have used them. We are long over due for an increase. We are still about \$100 less per hour than his normal events. This is because of our consistency with filling up his trucks. The event on Feb 10th was the largest we have had and we shredded 15,000lbs. The truck was slow and we had a line out to Lagrange from 8-11:30am.

*2 Commission Positions are open: Emmie Van Patton resigned. If you have any suggestions for appointments, please let PB know.

New Business:

*PB ordered KNB Swag: Car trash bags, microfiber towels, heat transfer pencils for students, "yoga"pens which double as phone holders. Still waiting on quotes for the calendar frames.

*KNB has been asked to participate in the YMCA Healthy Kids Day (4/20) and the Linc Event (4/19). Both are at times when PB is not available. PB asked if any commission members are available to run them in her absence. Carolina McMeans said she can assist with the Linc event on Friday night 4/19. PB mentioned turning down the YMCA event since no one can work a booth.

*PB invited the commission to come to CJ Smith Planting project with Empower School on March 7th from 2-4pm. CRK is helping with the install.

*Request for March Meeting date change. Commission approved 6 to 1 to move it to March 21st at 12noon.

*Litter pick up on April 13th – hosting it in downtown Newnan, provide quick breakfast when giving out the materials and then break up into small groups.

*Rachael and Angela brought up the idea of providing and installing small signs in parks or around town that highlight reasonable reminders of why we shouldn't use straws etc.... PB Asked commissioners to come up with specifics of what they want to highlight. Then PB will do research on sign manufacturers and locations.

* Meeting adjourned at 1:01pm
