FOR IMMEDIATE RELEASE

### City of Newnan Receives Grant from Firehouse Subs Public Safety Foundation

Newnan, Georgia, December 10, 2024 – The City of Newnan today announced that the Fire Department recently received a grant from Firehouse Subs Public Safety Foundation. The grant was used by the Newnan Fire Department to add a Utility Task Vehicle (UTV) to the fleet, which will be used for natural disasters, events, and emergency calls on the LINC.

Chief Stephen Brown shared, “We are grateful to the Foundation and to our local Firehouse Subs right here in Newnan for awarding us this grant. FF Prestridge and FF Harper took the initiative to apply for the grant and we are thrilled to be selected among the hundreds of applicants.”

“The new UTV will fulfill a need within our department and allow our firefighters to quickly respond to calls that a larger vehicle, like a firetruck, would not be able to access,” Brown remarked.
