Fire Department Announces Class 2 ISO Rating

Newnan, GA, January 9, 2023 - The City of Newnan Fire Department today announced their recent ISO Rating of Class 2. The fire rating is given by the Insurance Services Office and indicates the emergency preparedness of a fire department.

Fire Chief Stephen Brown remarked, "A long and thorough analysis took place. It was a team effort and we truly appreciate Newnan Utilities Water Department and Coweta 911. Our firefighters train hard and I am proud of this rating. It shows their commitment to the safety of our community."

Only 7% of national fire departments have obtained a rating this excellent. The score is based on combined percentages from the Fire Department (50%), Dispatch Center (10%), and Water Department (40%).
